Photographer: **Julian Lauren**
Title: **Champagne Zoom (BW)**
Type: **Professional photographic Print on 290 gr/m² pearl photo paper**

Notes. Julian Lauren's personal definition of fashion and art photography often combines elegance with dream and surrealism. This studio shot, paying a suggested homage to 80's fashion photographers, creates an intimate world where the photographer rules, and thus the popping cork of a bottle, besides spraying champagne towards a beautiful model, is capable of moving her hair and dress as it had the force of a powerful breeze. His belief is that "...Beauty should always be amazing, one way or another"
