Photographer: Gasoline Images

Title: Blue Lightning

Type: Professional photographic Print on 290 gr/m² pearl photo paper

Notes. A powerful vintage american muscle car is portrayed in a scenic road in California in a beautiful black and white. The streamlined silhouette of this iron horse is perfectly framed by the palms that line the road. Muscle cars used to be fashion in the late '60s and during the '70s, and have now become icons of power and american craftsmanship, beside appearing in iconic movies (Steve Mc Queen's *Bullitt* among others). This portrait by Gasoline Images is an evergreen one for anyone who likes design, speed and the fascination of vintage.

Photographer: **Julian Lauren**

Title: **Champagne Zoom (BW)**

Type: Professional photographic Print on 290 gr/m² pearl photo paper

Notes. Julian Lauren's personal definition of fashion and art photography often combines elegance with dream and surrealism. This studio shot, paying a suggested homage to 80's fashion photographers, creates an intimate world where the photographer rules, and thus the popping cork of a bottle, besides spraying champagne towards a beautiful model, is capable of moving her hair and dress as it had the force of a powerful breeze. His belief is that "...Beauty should always be amazing, one way or another"

The photograph **Champagne Zoom (BW)** is an authentic photo by Julian Lauren.
