

SWEDISH WEST COAST  
MEETS  
AMERICAN EAST COAST

Salt-stained rocks, charming wooden houses  
cozy harbors, sun-bleached docks and boat houses  
along the coastline of Sweden

The milewide beaches of Nantucket and Cape Cod  
Beautiful cedar houses on the sand dunes with windswept fences

Coastal inspired, white rustique furniture represents  
Oceanhouse decorating style

Along with the furniture we have a large photo collection  
photographed by us from coastal locations around the world
