WELCOME TO

The Secret Garden

With sustainability at our core and curiosity in our hearts, this season we are taking you on a journey to discover hidden treasures and connect with the great unknown. Life can be full of surprises and unpredictability, but whatever life throws your way, our bags will be by your side through it all.

Our new collection encapsulates the joy of discovery and a natural sense of wonder, so come with us into the secret garden and discover joys, treasures and bags that you've never experienced before.

About Us

O My Bag produces ethically and environmentally conscious leather bags. We want to make a positive difference in the world, by connecting producers in small communities to the global market and creating fair jobs.

All of our producers are based in India. We are proud that our core beliefs and values translate into beautiful, handcrafted leather products that are used and loved globally.

Our Leathers

Our bags are made from vegetable tanned leathers and without the use of chemicals, like chromium. An O My Bag will age beautifully, deepening in color and softening over time.

APPLE LEATHER

Apple Leather is a vegan leather alternative made from AppleSkin™. This is a bio-based material and is created from the waste of fruit juice and the applesauce industry. Apple leather is backed by a material blend for durability. It has a high-quality look and feel, just like our real leather.

SUSTAINABLE MATERIALS

Our bags are made from LWG certified chrome free or vegetable tanned leathers that will last a lifetime. Our dust bags, webbing straps, canvas collection and cotton tote bags are made of GOTS certified cotton. Our signature striped lining is made of a blend of 30% recycled cotton and 70% virgin organic cotton and is Organic Content Standard (OCS) and Global Recycle Standard (GRS) certified.

ETHICAL SUPPLY CHAIN

Our buying principles ensure a safe work environment and fair wages for all artisans working on our bags. We promote equal opportunities for women working in our partner factories. We are implementing a large project to provide a living wage for all workers.

GIVING BACK

Every year, O My Bag donates 1% of the annual revenue to local projects in India focusing on women empowerment and education. This way, we ensure that our success is measured through positively impacted lives as much as through creating and selling beautiful products.
